ANNUAL REPORT
of the
TOWN OF ALEXANDRIA
NEW HAMPSHIRE

For the Year Ending
December 31, 1998

DEDICATION

We dedicate this Alexandria Town Report to Leo Everett Corliss, a friend, a neighbor, a native son and an unsung hero. Leo's commitment to the protection of the Town of Alexandria and its citizens and the preservation of the town's history played an important part in his life.

In the eighty years Leo was with us, he resided in Alexandria the whole time. He dedicated his life to his beloved wife, Elsie, his family, his home town and all the citizens in it. His dedication, compassion and friendliness are embodied by the years of service he provided as the Alexandria Chief of Police and also as a Charter Member of the Alexandria Volunteer Fire Department. Leo served 28 years as Police Chief from 1940 to 1968. His commitment to the A.V.F.D. lasted from its inception until his death, for even though he was eighty years of age, he was still an active and valued member of the fire department. During his thirty-six years as a firefighter, in addition to the usual tasks, he served as the Commissioner of the fire department for many years giving it purpose and direction that we are all proud.

Leo was also a Charter Member and a past President of the Alexandria Historical Society. He had been instrumental in the recent revitalization of that organization. His knowledge of the town, its citizens and their history will be sorely missed. Everyone who knew Leo and took the time to stop and converse with him would usually be treated to a historical reflection or an amusing anecdote about the town or its people before the conversation ended. Leo's age may have slowed him physically in the last few years but his mental faculties remained sound to the end. It is difficult to believe that he is really gone.

Alexandria mourns the loss of a respected native son. Leo's passing has left a void in the fabric of this close knit community and a heavy sorrow in the hearts of all who knew him. We take solace knowing that he has rejoined his beloved Elsie and all of the good friends who have preceded him in departing this life. Good-bye old friend, we shall miss you, we shall not soon forget you.

Arthur N. Barron

FORWARD

1998 started out in a rough way with a serious ice storm. Parts of town were inaccessible for several days and others were without electricity for over a week. During this time, many volunteers stepped up and showed what a community is all about. Neighbors looked after neighbors, helped clear away fallen trees and opened their hearts and homes to those in need. Thank you to all who helped out during this difficult time.

In late spring we had some very heavy rains that resulted in some isolated flooding. One of the roads that was hardest hit was Mount Cardigan Road. The special warrant article from last year for this road included reclaiming a portion and overlaying another portion that had been rebuilt about 10 years ago. The rains changed that by undermining a large stretch of the portion to be overlaid. This section had to be reclaimed and rebuilt. This shortened the total length to be paved from 6000 feet to 4750 feet. We felt it was more important to stay within budget and do a good job on a shorter length of road.

The weather didn't seem to cooperate on either end of the year. Instead of snow, the winter began with more ice. The roads required much more sand than anticipated and the ice was very tough on the highway equipment.

Despite the obstacles that the weather presented, much was accomplished in 1998. The town took delivery of its first new fire truck and purchased a new backhoe for the highway. The total expenditures for the town were below the budgeted numbers. All department heads are to be congratulated for this accomplishment. The strong economy resulted in revenues to the town exceeding projections. The result of this was seen in a \$2 per thousand reduction in the tax rate.

SPECIAL NOTES FOR COMPLETING THE MS-2 FORM

This form must contain all the appropriations passed at an annual or special meeting. Combine all the approved and amended appropriations from pages 1 - 3 of the MS-6 posted budget form (pages 1 - 6 of the MS-7 for those municipalities which have adopted a budget committee). List the appropriate warrant article number in the Warr.Art.# column.

Do not cross off any accounts to enter your own titles. We have included the entire chart of accounts for reporting purposes. Please call us if you have any questions or need help in classifying any of your approved appropriations.

The revenue page, form MS4, is due September 1 and will be mailed to you in the summer.

INDEPENDENT AUDITOR'S REPORT

We have audited the general purpose financial statements of the Town of Alexandria, New Hampshire as of and for the year ended December 31, 1997, and have issued our report thereon dated May 14, 1998.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Alexandria, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT-continued

In planning and performing our audit of the general purpose financial statements of the Town of Alexandria, New Hampshire for the year ended December 31, 1997, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

1998 HIGHWAY DEPARTMENT ROAD AGENT REPORT

It has been a very busy year for the Alexandria Highway Department. The winter season started with the 1998 ice storm. We had four days of heavy, freezing rain, which caused numerous power outages, and hundreds of downed trees. It took us about two weeks to clean up all our roads to make them passable. This would have been a longer process if it weren't for the help of many volunteers and the Alexandria Volunteer Fire Department. The town subcontracted the brush clean up to T.L.C. Tree and Crane Service because of the mass quantity of brush to be chipped and removed. F.E.M.A. declared a federal emergency for most of the counties in this state. We were able to receive reimbursement for 75% of the expenses we incurred for clean up of the town which amounted to \$65,774. I would like to thank everybody that helped during this crisis.

The spring season started with the preparation of Cass Mill Road and Mt. Cardigan Road for repaving. We proceeded in the same manner as we have in the past. We replaced all the drainage pipes, reclaimed all the existing pavement, added 3,500 c.y. of processed gravel to the road base, then paved with a 2 inch thick course mix of asphalt or 3,000 tons. We completed Cass Mill Road to Route 104 by paving 2,900 l.f. We then paved 4,600 lineal feet of Mt. Cardigan Road. We planned on paving to the Gale Road intersection, however, I felt that the existing base wasn't good enough, so we went as far as possible with the available funds.

This coming season we hope to rebuild another section of Mt. Cardigan Road measuring about 6,000 l. f. which is just over a mile. This will leave only 6,000 l. f. left to do the following year. In two years, we hope to finish Mt. Cardigan Road up to the Hutchins Hill Road intersection. The rest of Mt. Cardigan Road to the Shem Valley Road intersection is still in good shape.

**1998 HIGHWAY DEPARTMENT
ROAD AGENT REPORT -continued**

The highway department replaced the old backhoe with a new John Deere 410E Extend-a-hoe backhoe. We kept the old Caterpillar backhoe to be used at the transfer station. This keeps us from running to the transfer station twice a week to compact the demolition, plus it gives us a spare backhoe in the event of an emergency.

We still do all of our own service on the equipment, and also do most of our own repairs. This saves the town a lot of money.

During the summer and fall months, we do a lot of our basic maintenance: road grading, cleaning culverts, cutting brush, cleaning ditches, cold patch pot holes, adding crushed gravel to gravel roads and stockpiling winter sand. We also sprayed magnesium chloride on a majority of our gravel roads to keep the dust down, and to help keep the roads compacted and smoother for longer periods of time. This process has helped considerably on the frequency of grading of our gravel roads. In short, it saves us money.

I would like to thank everybody for the compliments we have received on the work we have completed. It is greatly appreciated. I would also like to thank the Highway Department crew for doing an outstanding job over the years I have been Road Agent.

Respectfully submitted,
Dale Robie
Road Agent

1998 POLICE DEPARTMENT ANNUAL REPORT

Following is a list of the various types of calls handled by the Alexandria Police Department during the period of January 1, 1998 through December 31, 1998:

Nature/Type of Call	Number of Calls
Accidents	16
Alarms	20
Burglary	4
Civil Matters	42
Disturbances (Auto)	3
Disturbances (Persons)	6
Animal Complaints	30
Domestic	36
Domestic Violence Papers Served	29
Harassing Phone Call Complaints	9
House Checks	8
Inquiry/Information	727
Messages/Notifications	819
Motor Vehicle Complaints (Summons)	110
O.H.R.V. Snowmobile Complaints	8
Discharge of Firearms	2
Subpoenas served	31
Miscellaneous (911 hang up calls etc.)	<u>88</u>
TOTAL CALLS:	1988

The number of calls received and answered this year have decreased, but the nature of the calls in some areas have increased. The Domestic and Civil matters still seem to be the major problem area. These situations are very time consuming and delicate to handle. There are presently three organizations in the Lakes Region area that are able to assist people with there personal problems, and their names and phone numbers are available at the Town Hall. We encourage individuals to request this information, and we will assist them in any possible way within our abilities to reach these organizations for their assistance. All information will be kept in the strictest of confidence.

As always, I will be happy to answer any calls that come in on my personal telephone at anytime (744-8068) and the police number (744-6650).

Respectfully Submitted

1998 TRANSFER STATION REPORT

In recent years recycling has become more important in reducing the amount of waste that has to be incinerated or landfilled. Recycling saves money, reduces pollution, saves energy and conserves natural resources

We don't have mandatory recycling in Alexandria as they do in a majority of the other towns, however, we do ask you to do some of your own. Aluminum cans have been collected for over 5 years and have brought us over \$3,000.00 in revenue. We recycle soda and beer cans only, no foil, pie plates, etc.

Newspapers have been collected for sometime also. Although the returns are small, the savings in weight are substantial. Here again, **only newspapers**. No magazines phone books, junk mail, cardboard, plastic or dollar bills are accepted.

Fluorescent bulbs can no longer be put in the regular trash. They must be recycled. You will have to save them for the hazardous waste day collection in July.

Beginning March 1st, we will start collecting nickel cadmium batteries for recycling. These batteries contain cadmium which is a cancer causing metal. A five-gallon pail will be available for these batteries. These materials are the ones used in power tools, camcorders, cordless phones and some computers.

Thank you for your cooperation.

ALEXANDRIA VOLUNTEER FIRE DEPARTMENT REPORT FOR 1998

TO REPORT A FIRE OR MEDICAL EMERGENCY DIAL 911

Give the dispatcher the exact address location of the fire or medical emergency and, when possible, stay on the telephone so that further information can be obtained. FREE 911 stickers are available upon request.

The AVFD has experienced another busy year of responding to emergency calls, maintaining our equipment, training personnel, and upgrading our equipment. The department has met the ever increasing demands and changing needs for an all volunteer fire department striving to bring the best of service to our community and neighbors. The men and women of the AVFD have worked long and hard, and have given both their time and talent to serve our community proudly.

The past year has been a busy one, especially planning and preparing for the new town fire truck voted at last year's town meeting. The AVFD has been busy keeping track of the progress on the new truck as it has been built. The AVFD has also invested into the new town truck beyond what the initial specifications called for. We have installed an automatic Class-A Foam System to the truck at a cost of \$5,500 and also purchased new aluminum ladders, hand tools, and four rechargeable handlites at an additional cost of \$2,100, all of which has been paid by the AVFD. This new equipment greatly enhances the new town truck which has been built to meet all the latest codes and standards of today's modern fire apparatus. The new truck was completed and delivered on January 13, 1999 by Valley Fire Equipment of Bradford, New Hampshire, and put in service shortly thereafter. Thus far, we have been very impressed with the quality and performance of the new town truck and look forward to many years of enhanced service. The men and woman of the AVFD wish to extend our thank you, to all the towns' people for their support and trust in providing us with such a fine piece of equipment that everyone can be proud of. THANK YOU.

The AVFD Ladies Auxiliary continues to be a supporting element that we must recognize and be very proud of. Their contribution Continues to play a major role in our success. This year the Ladies Auxiliary provided necessary funds that the department now has a standard Class-A dress uniform, consisting of navy blue double breasted coats, matching dress slacks, white uniform shirts, dark tie, dress cap and white gloves. The men and women of the AVFD are graciously humble to the AVFD Ladies Auxiliary for their continued financial support.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the State. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the State. Your local Fire Warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contact aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of the wildland fires and keeping the loss of property and suppression costs as low as possible.

THE ALEXANDRIA HISTORICAL SOCIETY

The Alexandria Historical Society was founded in 1971 but languished in the mid-1980's. This year it has been reborn and revitalized, with a resurgence of energy from its sixty-plus members both old and new. In 1998 the Society has been working diligently to begin restoration of the Pearl Tucker House, a Civil-War era home located in the heart of the village. In the near future we hope to convert this historic building into a permanent home for the Society, complete with preservation space for the town's archives. Plans for the Tucker House also include permanent and rotating displays of old photos, antiques, and other memorabilia of Alexandria through the last two centuries, plus an interactive media room to help spur interest and participation from our town's youngest citizens.

To aid the restoration effort, the Historical Society held a highly successful yard sale this past autumn and has been well represented at both the annual Church Fair and Bristol's Old Home Day with a booth which drew many people and some generous cash donations. Plans are in the works to revive the Old Home Day tradition in Alexandria in time for the 100th anniversary of the event in 1999.

Everyone is welcome to join. Meetings of the Historical Society take place on the first Wednesday of each month. Come share photographs and memories from your own family album, and help the Society enrich Alexandria's future by preserving its rich past.

AMC CARDIGAN LODGE

AMC's Cardigan Lodge is located on the Shem Valley Road and offers year round recreational and educational opportunities to the public as well as its members. These include nature walks, guided hikes and activities with instruction for outdoor cooking, map and compass use, wilderness first aid and even llama trekking! There are evening slide shows, astronomy viewing and activities for young people help year-round at the Lodge. Several of these programs are offered and taught by Alexandria residents.

The Appalachian Mountain Club (AMC) is the oldest recreation and conservation organization in North America. Started in 1876 with a mission to promote the protection, enjoyment and wise use of the mountains, rivers and trails of the Northeast, the AMC operates several lodges, camps and huts throughout the region. In 1998, AMC was named New Hampshire's Outstanding Statewide Environmental Volunteer Organization by Governor Shaheen.

In addition to the educational activities mentioned above, AMC members staying at Cardigan Lodge help maintain the 50 mile hiking trail system throughout the Shem Valley on two state forests and AMC lands. Lodge staff coordinate community service projects for students at the Newfound Regional High School and expect to offer experiential educational opportunities for younger students from Alexandria in 1999.

The residents of Alexandria are invited and welcome to visit the Lodge anytime and to participate in any of the programs or evening activities. Call the Lodge for a current schedule of events.

TOWN OF BRISTOL – EMS BUDGET

Although we are working with only three quarters of data from the 1998 year, available information indicate that the 1998 revenues and expenditures appear to be in line with projected figures. The attached 1999 Budget request has been submitted and reviewed by the Bristol Board of Selectmen. This budget proposal is scheduled to be reviewed by the Budget Committee in late November.

Working with the current revenue figures, I believe we can continue to provide the high level of service at present funding levels.

The following chart reflects the projected allocation of the unfunded liability to member Towns for 1999:

1998 BRISTOL COMMUNITY CENTER REPORT TO ALEXANDRIA

There have been some exciting improvements at the Bristol Community Center during 1998. The windows on the front of the building were replaced with new, energy efficient windows. This has made a tremendous difference in heating the building. We are grateful to Freudenberg NOK for their donation, which enabled us to purchase the windows and have them installed. We removed the stained glass windows from upstairs and will be installing one of them at the entrance to the BCC so that we can retain a piece of the building's history. The remaining two windows will be returned to the Bristol Federated Church.

The BCC has been a busy place with record numbers attending our Summer Program in 1998. We added an After Camp Open House Program to assist working parents. We continue to offer our Teen Opera House Program on Tuesday evenings with a growing number of teens attending each week to play pool, basketball, ping pong, computers or watching movies. We offered some new Teen Programs this year that included a three-day Bike Trip. The response was wonderful and we will continue to offer this program. *During the course of a normal week at the BCC over 1,000 people come through our doors for the many programs offered.*

Alexandria residents participated in many programs offered during 1998. They included Archery, Baseball, Basketball, Dances, Teen Open House, After School Open House, Karate, Junior High Basketball, Baseball & Softball, Umpire Clinics, Red Cross First Aid & CPR, Hunter Safety, Boy Scouts, Girl Scouts, Tot Time, SHARE, Volleyball, Summer Programs, Haunted House, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Carnival Queen, Jack Frost & Miss Snowflake, Soccer, Gymnastics, TOPS, Tai Chi, Craft Classes, Senior Citizen Lunches and trips and Santa's Village, Yoga, Softball Pitching Clinics and more.

We are grateful to the Franklin Savings Bank for sponsoring a Book Nook at the BCC for area children. They purchased and donated a bookrack, new books, couch and chair for a reading area. Rod Hull, of NH Americorps spearheaded the project and we are happy to have it here at the BCC.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. Our Soccer Program has more than doubled in the last few years. We are grateful for their appreciation of the importance of recreation in the Newfound area.

In ending, the BCC wishes to thank the many Alexandria volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted House (we had triple the visitors this year!), Santa's Village and our numerous other fundraising and youth activities. Thank you all!

Leslie Dion, Director of Recreation

NEWFOUND AREA NURSING ASSOCIATION 1998

1. Newfound Area Nursing Association provided the following services in the Home Care Program:

Skilled nursing	2207
Private duty nursing	20
Physical therapy	462
Home health aide	3006
Long-term aide	855
Homemaker	1150
Supervisory visits	193

Approximately 11,750 visits were made by NANA in the 1998 year to individuals in the Newfound Area.

2. Programs for families with infants, toddlers and adolescents are as follows:

The Well Child Clinic – Offered monthly to provide immunizations, physical exams, nutrition, counseling, health education, information and referral. 95 children seen.

Newfound School Outreach Immunizations - Series of three Hepatitis Vaccines administered to 105 students

Newfound Area Parental Support – Summer play group for Tots met twice weekly for seven weeks. Twenty Bristol families attended.

Mother Mentors – A six week training course for six volunteers to provide assistance and support to moms for about three months.

Parental Support Group – Approximately ten individuals attend weekly. The group is geared toward those who are anxious or depressed.

Active Parents Group – Eight individuals participated in a seven-week course on parenting. The series will be offered 3 – 4 times per year.

Prenatal/Postnatal Exercise Program – Four participants enrolled in the first six-week series. Plans are to continue the program.

Good Beginnings Program – Forty home visits were made to new parents to distribute gift bags with books. Offered in cooperation with Franklin Regional Hospital.

Welcome Baby Open House – A collaborative effort with the Bristol Elementary School and other health and social service providers.

**NEWFOUND AREA NURSING ASSOCIATION
CONTINUED**

2. Outreach Programs for adults are as follows:

Flu and Pneumonia Vaccine Clinic – Flu vaccines provided to 129 individuals. Pneumonia vaccine provided to 21.

Hypertension Screening – On average, 40 individuals are screened monthly.

Foot-Care Clinic – Monthly clinic providing services to 10 individuals.

Lab Services – Nursing staff draws blood on the homebound when ordered by a physician.

Senior Companion Program – Trained volunteers visit the isolated elderly. Offered in cooperation with Franklin Regional Hospital.

NANA Hospice Volunteers – NANA prepares volunteers and places them with seriously ill and dying clients to provide support for the individuals and their families.

The Medicare Interim Payment has impacted home care as we know it would, resulting in an \$11,000.00 deficit at the end of the third quarter despite our successful long-term fundraising effort.

On the positive side, however, Congress did at the eleventh hour pass a bill to give the Home Health industry relief from the Balanced Budget Act of 1997. The per beneficiary cap formula was adjusted and they delayed implementation of a 15% cut for this year. Congress further promised to look at other measures to protect the home benefit during the next session.

BRISTOL COMMUNITY SERVICES, INC.

21 North Main Street

Bristol, NH 03222

744-2222

Bristol Community Services is a non-profit organization providing services to area residents, facilitating neighborly help. We receive no public funding. It is dependent upon Thrift Shop revenues and the generosity of area churches, civic organizations, business and individuals. Community Services' existence and healthy growth is proof that a rural area can go far in helping its own, and that concerned citizens working together with a common goal can contribute significantly to improving the welfare of the whole community.

The Board of Directors meets the second Wednesday of the month in January, March, May, June, July, September and November. Council Meetings are held following the Board Meeting and are made up of volunteers representing the various towns in the service area. A strong commitment to the neighbor helping neighbor philosophy sustains Bristol Community Services.

Volunteers are always needed and can be of assistance providing transportation, assisting the Director with office responsibilities, working in the thrift shop and serving on the Executive Board and Council.

1998 was a busy year at Bristol Community Services with Community Services providing 109 individuals in 31 households in Alexandria with assistance from the food pantry. Other assistance was provided to Alexandria residents in the form of referral services, telephone reassurance calls, Secret Santa Program, food and gasoline vouchers and transportation to doctors offices, hospital appointments, and area businesses, as well as assistance through the Bristol Community Services Salvation Army Unit. Newfound Area residents received 94 Thanksgiving and Christmas food baskets as a result of generosity of many.

Other services offered throughout 1998 to area residents were Parenting Classes, Vocational Rehabilitation Services and JOBS Program Services. Newfound Area SHARE is available at BCS. The Share/Serve program is easy to participate in and anyone who eats qualifies. This program allows people to help their community and purchase food from a cooperative food program.

**GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
ANNUAL REPORT 1998**

Grafton County Senior Citizens Council, Inc. provides programs and services which support the health and well being of our older citizens and assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to make use of the community based long term care services such as home delivered meals, senior dining room programs, transportation, care management services, information and referral, educational programs, adult day care, chore/home repair services, recreation and opportunities to be of service to the community through volunteering.

During 1998, 23 older residents of Alexandria were able to make use of one or more of GCSCC's services, offered through the Bristol Area Senior Services. These individuals enjoyed 268 balanced meals in the company of friends in a senior dining room, received 157 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 44 occasions by our lift-equipped buses, and found opportunities to put their talents and skills to work for a better community through 198 hours of volunteer service. The cost to provide these services for Alexandria residents in 1998 was \$2,521.00.

Community based services provided by GCSCC and its many volunteers for older residents of Alexandria were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors. As our population grows older, such support becomes ever more critical.

GCSCC very much appreciates the support of the Alexandria community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

TRI-COUNTY COMMUNITY ACTION

Tri-County Community Action Program is a private, non-profit agency which is requesting at your 1999 Town Meeting \$500 in funding to support its Community Contact Division. Community Contact has provided services for 97 Alexandria citizens, processed 31 fuel assistance applications, 27 being elderly and 16 being disabled and provided 353 other Community Action Program services.

**Tri-County Community Action has spent \$13,503.55
On Alexandria citizens between July 1, 1997 and June
30, 1998.**

Community Contact provides necessary services for less fortunate citizens in our communities. We are depending upon funding from your town and neighboring communities county-wide. The local funds are combined with the Community Services Block Grant, Fuel Assistance and NH Emergency Shelter Grant, Homeless Programs and FEMA. We also are the conduit through which the USDA Surplus Food gets distributed to the food pantries throughout Grafton County to serve our residents.

We have greatly appreciated the support and cooperation of the Town of Alexandria in the past and look forward to continuing our partnership to provide essential services to your residents.

Please feel free to call me at 444-6653 if you should have any questions.

Very truly yours,

Cecilia Vistica
Grafton Community Contact Manager

THE TASK FORCE AGAINST DOMESTIC AND SEXUAL VIOLENCE

On behalf of the Task Force Against Domestic & Sexual Violence, I would like to thank you for your past support. During fiscal year 1998, your contribution helped the 444 clients that the Task Force served. This includes 49 women and children that were housed at the Task Force shelter. The following Task Force services were provided free of charge.

24-hour crisis line staffed by trained volunteers

Confidential emergency shelter, food and transportation
for victims of domestic violence

Children's support group to learn creative conflict
resolution skills and increase self-esteem.

Training programs for volunteer, law enforcement and
other professionals working with victims of
domestic violence.

Community education programs for schools, civic
organizations, church groups and social service
agencies.

Walk-in office available at Whole Village Family Resource
center where victims can receive information and
support.

This year we are requesting \$824 from the Town of Alexandria to further support our services to both adult and child victims of domestic and sexual violence. The amount requested is based on town population from the 1990 census and includes a 3% cost of living increase.

Sincerely,

Priscilla Farrell
President

LAKES REGION COMMUNITY SERVICES COUNCIL

Throughout the past year, Lakes Region Community Services Council has continued to serve all Alexandria residents who have a developmental disability. Services such as: residential, vocational, family support and transportation, having long become an inherent part of the lives of these Alexandria residents.

Our transportation system, “Greater Laconia Transit Agency” (GLTA), serves two functions in our region. One provides for the specialized transportation needs of those individuals who have a developmental disability, and the other for the general public. For the former, these needs involve a daily round trip service between home and a variety of vocational programs. The general public on the other hand, can access GLTA’s services along specified routes, or by charter.

Funding from the town has been, and will continue to be earmarked to support capital purchase for the disability component of this transportation system.

Sincerely,

Stephen C. Maguire
Assistant Executive Director

NEW HAMPSHIRE HUMANE SOCIETY

Dear Selectmen:

For the year 1999, the New Hampshire Humane Society offers your town an Animal Control Agreement which will provide your Animal Control Officer (ACO) and residents with an excellent community service. Our budget appropriation request for 1999 is \$836.

We hold all stray dogs if not picked up, the full seven days for \$10 per day. This fee totals \$70.00. The fee for stray cats will be \$20.00. The charge for any strays which must be euthanized remains at \$35.00. Any animal claimed by the owner is charged to the owner and not the town.

The 1998 totals of the numbers of animals brought to the New Hampshire Humane Society from Alexandria are as follows:

By Alexandria Animal Control Officer:

Dogs and puppies:	6	
Cats and kittens	2	Total 8

From Local Residents

Dogs and puppies	7	
Cats and kittens	10	
Stray cats/dogs	0	Total 17

Total number of all animals received: 25

Your Society's shelter has been inspected and licensed by the State and fulfills your animal shelter requirements. Every town has stray animal problems and we encourage your town and especially your Animal Control Officer to call us in 1999 if you have any questions.

**PEMI-BAKER YOUTH & FAMILY SERVICES COUNCIL, INC.
1998 ANNUAL REPORT**

The Council is an organization dedicated to promoting community-wide approaches which support the development of healthy youths and their families. The Council currently coordinates five programs which are available to people in Eastern Grafton County:

1. **Juvenile Court Diversion** – a voluntary program for first-time offenders which holds them accountable for their actions. Volunteers from the community develop a contract with each youth and family. Contracts may include community service, referrals to other agencies and programs, personal development tasks, etc. We have found that, of the youths who graduated from Diversion in 1996 and 1997, 92% have not committed a subsequent offense since, saving tens of thousands of dollars in court-ordered services.
2. **OSS (Opportunities for Suspended Students)** – This program works with students and families from Plymouth Regional High School who are at-risk of losing course credit due to repeated suspensions. This community-based approach connects families to services in the region which help the students and families develop their strengths.
3. **The Challenge Course** – a 15-hour early intervention program for teens which focuses on alcohol, tobacco and other drugs. Courses are non-judgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use or stop using entirely. Of all the youths who successfully completed the program in 1996 and 1997, not one, 0%, has re-offended.

**PEMI-BAKER YOUTH & FAMILY SERVICES COUNCIL, INC. -
continued**

4. OCAA (On Campus Talking About Alcohol & Other Drugs) – offered in cooperation with local police departments and Plymouth State College, OCTAA provides an effective educational opportunity for anyone between the ages of 18-21. This is also a lifetime risk-reduction program on the use and abuse of drugs.
5. Information and Referral – provides area residents with a clearinghouse of information on regional human service agencies and programs. People with a variety of needs can receive free and confidential assistance on how to access these resources. Callers ask how to report child abuse, how to access public assistance or counseling services, where to find after-school activities for children, etc. The Council distributed nearly 2,000 comprehensive *Grafton County Resource Guides* in 1998 to help towns, police, schools and other human service providers find services for the people they work with:

Total service figures for the Council in calendar year 1998 are as follows:

Juvenile Court Diversion	36
OSS Program (no summer referrals)	16
Challenge Course	42
Information and Referral calls and visits	208
Grafton County Resource Guides	2000
OCTAA (no summer course)	96

PLYMOUTH REGIONAL CLINIC

Plymouth Regional Clinic is requesting that area towns appropriate funds to the Clinic in their FY 1999 budgets. The Plymouth Regional Clinic is a nonprofit, all-volunteer organization providing general medical care to area residents who have limited incomes and no health insurance. The Clinic has been open one evening a week since July 1994 and has provided care for almost 1200 patient visits. We have seen patients of all ages and for varying medical complaints, from minor ailments to life-threatening illness, with many seeking treatment for illnesses or conditions which have gone unattended because the patient could not afford medical care. Our volunteer social workers have assisted many patients in identifying other available services which might help them.

Plymouth Regional Clinic has managed to keep its operating expenses low through the generous donation of in-kind services and space by Family Planning, Plymouth State College, Speare Memorial Hospital and area businesses; as well as the volunteer services provided by area physicians, nurse-practitioners, nurses, social workers and others. As in the past, the Clinic is seeking funds for three main purposes, among others: to cover operating expenses such as insurance, medical and office supplies, and licensing fees; to pay a part-time administrator to ensure the Clinic's effective ongoing operation; and to create a fund to allow the Clinic to pay for patient prescriptions – one of the highest medical costs many patients face. In order to raise the necessary funds, Plymouth Regional Clinic will solicit donations from area individuals and businesses, and will be applying for grant money. In addition, the Clinic is requesting that area towns place in their 1999 budgets (for Fiscal Year 2000) an appropriation of \$1,000, or any portion of this which the town feels is appropriate. It is hoped that the towns will realize some savings in the medical account of their welfare budgets due to the Clinic's services. If you have any questions not addressed or would like more information, please feel free to call the Clinic Administrator, Eileen Towne at 536-4467. We hope the towns will support our efforts to meet the medical needs of community members who cannot afford health care. Thank you for your consideration.

REPORT OF THE TOWNS AND CITIES OF DISTRICT ONE

By Councilor Ray Burton

As one of your elected officials, I am honored to report to you as a member of the New Hampshire Executive Council. This five member elected body acts much like a board of directors of your New Hampshire State Government in the Executive Branch.

In my twentieth year representing this District with 98 towns and four cities, there are many changes I've seen and been a part of in the past. My focus in this report to you is toward the future and some suggestions on how you as citizens might be encouraged to participate in the future.

The following are some ideas and suggestions. The Governor and Council have a constitutional and lawful duty to fill dozens of boards and commissions with volunteer citizens. If you are interested in serving on one or more of these volunteer posts, please send me your resume at the State House and I'll see that it is passed on to Kathy Goode, Governor Shaheen's liaison to the Executive Council, or you may wish to send them directly to the Governor's Office, State House, 107 North Main Street, Concord, NH 03301.

Other resources available to your town/city/county include 10 million dollars (\$10,000,000) through the Community Development Block Grant program at the **Office of State Planning**. Call Jeff Taylor at 271-2155 to see if your town or area qualifies.

Annually there is available some 10 million dollars (\$10,000,000) available through the **New Hampshire Attorney General's Office** for innovative programs for drug and law enforcement, stress programs dealing with youth at risk, assistance to victims, and special programs for victims of domestic violence. For information call Mark Thompson at 271-3658.

Communities may request assistance through the **NH National Guard Army**, General John Blair's Office, for service such as a Drug Detection Dog, Community Presentations on Drug Demand Education and Career Direction Workshops. Telephone number is 225-1200.

The **Office of Emergency Management** at telephone number 1-800-852-3792 is the proper call when an emergency develops in your area such as floods, high winds, oil spills and ice jams.

Alexandria Annual Report for 1998

State and Federal Surplus items may be purchased at minimum cost. Call Art Haeussler at 271-2602 for a list and newsletter.

In **New Hampshire Correctional Industries**, there are many products and services of use to towns, cities and counties such as street signs, vehicle decals, printing, car repair, furniture and data entry services, including web page development, call Peter McDonald at 271-1875.

People and businesses looking for work – vocational rehabilitation, job training programs should call **NH Employment Security** at 1-800-852-3400.

NH Department of Environmental Services has available 20% grants for water/waste water projects and landfill closure projects, revolving loans for water/waste water and landfill closure, and also money for Household Waste Collection days call 271-2095. State Revolving Loans has available around 35 to 50 million dollars (\$35,000,000 to \$50,000,000) per year . For information call 271-3505.

Oil Funds – There are five petroleum funds which cover: oil spill cleanup and emergency response; reimbursement for cleanup by owners of: motor fuel underground and above ground tanks; heating oil facilities (primary home owners); and motor oil storage facilities (service stations and automobile dealers). For information call 271-3644. Further there is a municipal grant fund for construction for used oil collection facilities and operator training. For information call 271-2942.

Household Hazardous Waste Collection Days – Annual grants to cities and towns for collection of household hazardous waste provide dollar for dollar matching funds up to a total of 50% of the costs incurred. For further information call 271-2047.

NH Health & Human Services Department has numerous divisions, providing a variety of services and assistance...mental health, public health, children and young, etc. All of these may be obtained by calling 1-800-852-3345.

All of your New Hampshire State Government can be accessed by the general phone number at 271-1110 and through the State Webster Internet <http://www.state.nh.us>. Your New Hampshire Government is at your service, please call my office anytime I can be of help (271-3632 and e-mail: rburton@gov.state.nh.us)

Above: The 1957 B-95 Mack Fire Engine, 30-M-3. Sadly, 30-M-3 has ended her days as an in-service piece of fire apparatus. The A.V.F.D. sold the truck to a private collector in Vermont and the department hopes that he will display her proudly and keep her in good repair.

The proceeds from the sale of the Mack were rolled right into the new truck, the 30-M-1. Shown on the front cover, the 30-M-1 is a Pumper/Tanker combination built on a 1999 International Chassis by Valley Fire Equipment of Bradford, NH and arrived in early January 1999. The 30-M-3 sale funds allowed the Alexandria Volunteer Fire Department to have an integral Foam Injection System installed on the new engine.

The members of the A.V.F.D. are very grateful to the Town for providing them with such an outstanding piece of equipment.

"Thank-you Alexandria" from all of the Fire Fighters of the Alexandria Volunteer Fire Department.
